About Us

We're construction people, and we know that if you don't have the right equipment you can't get the job done on time. That's why we created the TireSocks line of products with construction people in mind. Easy to Use. Durable and Dependable. We also know that a great product is nothing without great service, and we're proud to say we ship orders the same day EVERY DAY.

Our Products

Whether you need to keep your job site clean or keep employees safe we have several products just for you. With our full line of TireSocks, DripDiapers, SafetyPads and more, you're guaranteed to find just what you are looking for. All products come in a variety of sizes to suit your needs.

Distributors

Tiresocks brand surface protection and safety products are carried by a variety of distributors. For a complete list of our distributors, or for more information on becoming a distributor please contact us.

Options & Upgrades

Custom Logo

We can customize TireSocks & SafetyPads with your logo, toll free service number and website at NO ADDITIONAL CHARGE! Both products offer a unique branding opportunity and a superior product that will set your equipment apart from the rest! The additional job site exposure gained is invaluable and will create residual business opportunities for your company. All custom orders ship within 24 hours.

**One time set up fee does apply*

Pre-Cut DripDiapers™

Our standard DripDiapers come in 7 customizable sizes that will fit every piece of equipment you carry, making it easy to stock just a few part numbers. In addition we now offer custom pre-cut DripDiapers to fit the Genie GR Series, Skyjack 3219 and Skyjack 3226. For more information on our pre-cut DripDiapers contact our customer service department.

Heavy Duty Option

TireSocks Heavy Duty Option includes an extra layer of heavy duty material sewn into the Tiresocks as well as an extra patch to reinforce the seam. It is highly recommended for any Tiresocks used on tires over 40" tall. To order, simply add "HD" to the end of your existing part number.
