# TOP GUN blasters deserve a TOP GUN Helmet

**Limited Edition 'TOP GUN' helmet  
available in June. Plus get a FREE COOL  
AIR TUBE & COOLER BOX (\$200 VALUE)!**

The RPB NOVA<sup>®</sup> range of helmets have always had that edge over all the other helmets in the marketplace. Safe, comfortable, quiet and light – blasters just love them!

Released last year, the RPB NOVA 3<sup>®</sup> Series Helmet brought the industry the breakthrough operator protection technology with advanced comfort and functionality. If you don't have one yet, now is the chance to get the most advanced helmet in the world, and be recognized as a TOP GUN!

*More specific helmet features are listed over the page.*
