

# 2013 Awards Program Now Open

WHO WILL YOU SUBMIT?

## Previous Award Winners

The goal of the United States Geospatial Intelligence Foundation (USGIF) is to promote the geospatial intelligence tradecraft and develop a stronger GEOINT Community.

Through the Awards Program, USGIF recognizes the exceptional achievements of the community's brightest minds.

### CATEGORIES INCLUDE

*Geospatial Intelligence Achievement Award  
(Industry, Military and Government)*

*Geospatial Administrative/Support Award*

*Academic Achievement Award*

*Academic Research Award*

*The Arthur C. Lundahl*

*Lifetime Achievement Award*

(presented upon selection by the USGIF board)

### WHO SHOULD APPLY

Anyone involved with the geospatial intelligence community may apply and/or nominate someone or a team for an award.

### WHY NOMINATE OR APPLY

Highlighting the achievements of those within the community not only recognizes those who deserve it, but also boosts morale, inspires the community, and increases interest in the field.

## MAKE YOUR NOMINATIONS NOW

Nominations must be submitted by August 30.
