

Shakeology® is a powerful superfood formula designed to give your body the perfect combination of nutrients to help give you energy, reduce cravings, maintain healthy body weight, and support your immune system. To make Shakeology, Beachbody® searched the world to find ancient and exotic superfoods simply not available at your local supermarket. Drink Shakeology every day—you'll feel more satisfied, eat less, and lose weight!*

The art of crafting Vanilla Shakeology—We spent years seeking a pure, flavorful, and ethically sourced vanilla, and finally unearthed it in the lush jungles of Madagascar. Passionate about growing the highest-quality vanilla bean, indigenous Malagasy farmers meticulously hand-pollinate delicate vanilla orchids, hand-harvest the beans, then sun-dry and cure them to release their robust flavors—while following advanced traceability methods that ensure purity, consistency, and quality. Our farmers have also been trained in sustainable vanilla cultivation practices to protect the environment and prevent deforestation. By selecting these premium organic vanilla beans, we're aiding the local economy, supporting these farmers' livelihood, and funding schools to educate their children.
