

THE TECH TOUR HEALTHTECH SUMMIT ANNOUNCES THE TOP 20 INNOVATIVE EUROPEAN ENTREPRENEURS AND THE WINNER OF THE EXCELLENCE IN HEALTHTECH AWARD

Promising entrepreneurs seeking funding will present to global corporates and VC's at the 4th annual Healthtech Summit at NYSE Euronext, London, June 25-26. EOS Imaging will receive the Excellence in Healthtech Award for the most promising innovation with a significant global impact in healthcare.

Geneva, London, and Brussels, June 25, 2013 – The Presidents of the Healthtech Summit, Aris Constantinides, NBI Ventures and Rudy Mareel, former CEO of Synthon, and the Vice President of the Selection Committee, Joey Mason, Delta Partners, announce today the names of the top 20 European healthtech companies as selected by an expert committee to present at the NYSE Euronext in London. Joey Mason commented on the selection process saying, *"This year's selection committee rose to the tough task of choosing from a highly diverse pool of truly innovative medical technology companies from Europe and Israel. Our pleasurable challenge was to select the small group of presenting companies from what is a vibrant and growing sector."*

Top 20 Presenting Companies:

Aleva Neurotherapeutics
Apica Cardiovascular
Calon Cardio-Technology
Cambridge Cognition
Check-cap
Mainstay Medical
Medlumics

Microtest Diagnostics
Microvisk
MindMaze
Nuubo
Pixium Vision
Quanta Fluid Solutions
Radius Diagnostics

Sequana Medical
SpineGuard
Synoste
TNI Medical
Vimecon
Vivasure Medical

The nominated companies represent 8 countries in various stages of development ranging from seed to expansion from a variety of Healthtech arenas including: 25% Cardiology, 25% Diagnostics & Monitoring, 20% Medical Devices, 15% Neurology, 10% Orthopedic, and 5% Ophthalmology.

The 2013 Healthtech Summit will feature the second Salus Partners Excellence in Healthtech Award; celebrating the success of companies who have consistently demonstrated excellence in the sector. From the hundreds of companies that have applied to the Medtech and Healthtech Summits, a total of 68 companies were chosen from 14 countries for a chance to be selected for the Excellence in Healthtech Award. This pool of Alumni has made significant progress in bringing new technology innovation to the healthcare markets with 60% of the companies achieving the CE mark for introduction of their product in Europe, and 24% having additionally received FDA approval for market entry into the United States. Cumulatively these companies raised a total of over 568.4M Euro in capital and over 325.9M Euro was raised after the presentation of the companies at one or more of the Summits.

The award selection committee has chosen **EOS Imaging** for sustainable growth and development from among three alumni who have to date been listed on public exchanges. The CEO of EOS Imaging Dr. Marie Meynadier will be present at the gala dinner of the Summit to receive the award on behalf of the company.

A delegation of 140 leading global industry players and representatives from cross-venture capital and global investment firms are attending the event. Estimated investment capabilities of attending investors are estimated to 5 billion+ Euros.
