BRYAN / COLLEGE STATION GENERAL CONTRACTOR PARTNERS ON WEBSITE

Norris Contracting Services partners with AgniTEK to improve their Search Engine Optimization and internet marketing efforts.

College Station, TX, June 27, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce their partnership with Norris Contracting Services to improve their Search Engine Optimization and internet marketing efforts. They will be assisting Norris Contracting Services with improving their website to better serve potential clients.

Norris Contracting Services, a general contracting company in the Bryan/College Station area, was started in 2010 by Dennis and Brandy Norris. With over 15 years of experience in property management and the construction industry, Dennis has established himself as an expert in the industry. Norris Contracting Services provides quality construction, remodel, repair and painting– all while focusing on the utmost service to the client. The goals are simple: quality craftsmanship, unparalleled customer service, and integrity above all. They believe that if they provide these three qualities, the clients experience with their home remodel or repair will be less stressful and more enjoyable. To learn more about Norris Contracting Services, visit their website at www.norriscontractingservicesofbcs.com.

Norris Contracting's website offers a vast array of information for the prospective client. There is an online form to obtain a free estimate on a particular project. There are also various photo galleries, testimonials from past clients, and descriptions of the company's accomplishments and awards to provide the prospective client with top notch information to help in their search for a general contractor. AgniTEK is now assisting Norris Contracting Services in building an online presence for this high quality website.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
