CANCER RESEARCH NON-PROFIT ORGANIZATION GAINS ONLINE RESOURCE

The Sheena V. Foundation is a non-profit organization that raises money for cancer research and under-served Native American communities. The new resource offers an interactive events calendar and online donation service.

College Station, TX, June 28, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a high-quality, custom website for the Sheena V. Foundation at <http://www.sheenav.com>. The new website was designed and created by AgniTEK associates and is now live.

The Sheena V. Foundation is based on the memory of Sheena Vesta Osborne, a young girl with Cherokee ancestry, who was diagnosed with a rare form for leukemia who died at the age of 16. Their mission is to empower kids in need to live, hope, and dream. By providing the necessary tools to enrich their lives, strengthen their hope and fulfill their dreams: The Sheena V. Foundation will raise money for childhood cancer research and under-served Native American communities. To learn more about the Sheena V. Foundation, visit their website today.

This custom website will not only touch lives with Sheena's story, but will also provide the non-profit organization with tools to help fulfill their mission. The site features an interactive calendar to inform viewers of upcoming events, various resources pertaining to the organization, and an easy way to donate online through Pay Pal.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
