*Limited Time Offer. This offer is good as of 7/1/2013 and is subject to change without notice. For a limited time, H2O Wireless \$50 Month plan includes Unlimited Int'l Calling for select landline destinations (on-net) in 50 countries; and \$40 in Int'l Calling Credits which may be used for calling other int'l destinations at regular rates. For current unlimited international destinations and rates, go to GETH2O.com and click "International Features" or call customer service at 1-800-643-4926. Unlimited does not mean unreasonable use, including but not limited to conferencing, monitoring, abnormally large data transmissions, broadcasts, automated calls, commercial uses, abnormally high calls/messages, abnormally long calls, tethering, or any other use that interferes with H2O Wireless service/network resources. We reserve the right to terminate your service without notice if we determine, at our sole discretion, that your use is unreasonable or in violation of the H2O Wireless General Terms and Conditions of Service and/or Authorized Use Policy. By using H2O Wireless, you agree to our comprehensive terms and conditions at GETH2O.com.
