

Take every customer you sell. Reproduce him or her 10,000 times.
 Then, place each one on a busy street within hours of selling them.
 Ask them to personally brag about their experience with every passer-by.

Could you sell more cars today? Tomorrow?

That's The Effect VASS Has WITHOUT Your Spending A Dime On Advertising

Every time you sell a car, VASS creates a Customer Testimonial Web Page, showcasing your happy customer along with every facet of your dealership.

Your VASS Page is then shared on Facebook, Twitter, Google+ & more, reaching thousands of people in your market in a matter of hours.

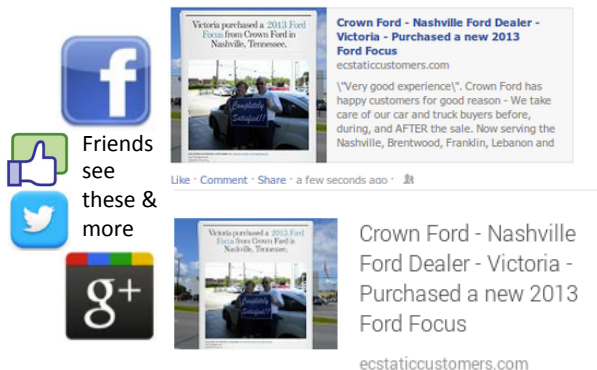

That means, your happy customers converse, educate, influence & motivate their friends to BUY from you TODAY.

If you sell 100 cars a month, VASS puts you "front & center" getting seen by up to hundreds-of-thousands of people. Doing that, you sell more. Next month... repeat!

"Imagine conversing & influencing hundreds to thousands of people on Facebook, Google+, Twitter, Yahoo! Bing & Google every, single time you sell a car. VASS does exactly this."

Customer shares & likes with her 255 friends, then each of the 255 friends' groups sees it.

- Salesperson shares & likes with his 255 friends & so on
- Dealership shares & likes with it's 255 friends & so on
- VASS shares & likes with it's 255 friends & so on. VASS also promotes every page via press, blogs, articles, press releases & search engines.

When you turn an army of happy customers into socially-sharing selling machines, have 1,000's of relevant websites dominating the internet, **you take away market share...FAST!**
