

Thousands of traders worldwide compete for the last chance to win the easy-forex® \$1 Million trading competition

In its final month, the hugely popular '\$1 Million' trading competition by **easy-forex®** is proving to be a hot race amongst thousands of competitors from around the globe. Leading the race to becoming a millionaire, are participants from Australia, China, Poland, UK, Taiwan, India and the Middle East. The competition is really heating up with the two top traders from China and Poland competing to be the number one top trader.

easy-forex have created a competition which gives the opportunity to both new and experienced traders to compete on a level playing field. This easy to understand, transparent formula calculates the percentage of profitable deals divided by the total number of deals made by the trader. To follow the excitement, anyone can visit the top traders' leader-board at www.easy-forex.com/million-dollar-leaders

easy-forex CMO, Hillik Nissani said: 'We work hard to make trading easy and that's why we created a competition that would not only have \$1 Million mass appeal but also rewarded better and smarter trading for all types of traders.'

With only one month to go and the exciting possibility of winning, hundreds of traders continue to join the challenge weekly and the pressure is on. When asked why the competition is seeing such a big impact globally, Nissani said: 'This is a trading competition with the potential of winning a huge prize at the end. We're not asking people to do anything different than before, just simply enter and trade!'

The top two traders will win VIP all expenses paid trips to the final home game of the **easy-forex** sponsored National Rugby League team; the Canterbury Bulldogs in Sydney, Australia. During the game's half time, and in front of a packed stadium, the top trader will get the chance to take part in a kicking challenge to instantly become a millionaire.

The competition is open until 31 July 2013 to anyone who opens a trading account at www.easy-forex.com/million
