All product is lovingly made by hand in the USA (Northern CA) using components collected from around the world. Digital photos or samples for photography are available upon request.

TRULYHUMAN *medallions*  
*Jewelry for the home to inspire the spirit*

This is Barbara Bacigalupi's hallmark product line. Previously limited to distribution through a few high end boutiques and spas, the newly launched website brings original and new styles and sizes together in one place, for the very first time.

COURAGE

PROSPERITY

LOVE SERENITY BRIGHT FUTURE

HOPE

Each features a central medallion representing a symbol from Eastern or Western culture, surrounded by gemstones. A story card written by Bacigalupi comes with each and explains the symbolism in terms of achieving positive human values. Sizes range from table top napkin rings and bottle toppers to large wall art pieces, up to 3-4 feet in length.

Each TRULYHUMAN *medallion* is also intended to be held and touched as tools for relaxation and self-directed visioning using instructions provided at the site.
