WEBITE SOLUTIONS COMPANY ANNOUNCES ONLINE RESOURCE FOR BRYAN/COLLEGE STATION LABRADOR TRAINING

Landry's Lone Star Labradors is located in Central Texas and provides full-time professional retriever training. Their goal is to build on dog's hunting and retrieving abilities so that they may reach their full potential.

College Station, TX, August 7, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Landry's Lone Star Labradors at <http://www.landrys-labradors.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Landry's Lone Star Labradors is located in Central Texas and provides full-time professional retriever training. Their goal is to build on dog's hunting and retrieving abilities so that they may reach their full potential. They offer training for the dog handler so that when it's time to go, the dog and the handler both understand each other and can work as a team. Whether one is looking for a quality bred Labrador puppy, gun dog, advanced handling dog, field trail, or a hunt test dog, Landry's Lone Star Labradors can meet those needs.

Landry's Lone Star Labradors offers numerous services including a gun dog program, field trial and hunt test training, the most advanced innovative basic and transition programs, owner handling programs, stud services, and quality bred puppies. Landry's Labradors was presented with the AKC Gold Seal Certificate of Inspection in April, 2010. To learn more about their services, visit their website today.

The Landry's Lone Star Labrador website is a great online resource for Labrador training that was made possible by AgniTEK. This resource provides information and photos of puppies, results of dogs that they

have trained, information about their facilities and a way contact form to help customers gain more information.
