## **Nagios Enterprises Launches Global Affiliate Marketing Program**

SAINT PAUL, MN (PRWEB) – Nagios Enterprises has recently launched the official Nagios Affiliate Program worldwide, and registration is now available. The program enables community members to earn a competitive commission as Nagios Enterprises continues to expand further into the IT management industry.

The [Nagios Affiliate Program](#) is easy to use, simple to integrate, and highly rewarding. The provided promotional content library contains everything necessary to begin advertising on the web. Additionally, the Affiliate Portal interface provides built-in reporting statistics and graphs, giving affiliates the ability to track their own performance and success over time. From the easy-to-use interface, to the expansive library of resources, the Nagios Affiliate Program is a great launchpad for marketers of any experience level.

“Community members now have the resources to help promote the most affordable IT infrastructure monitoring solution on the planet – Nagios,” said Mike O’Keefe, Sales Manager at Nagios Enterprises, “The Affiliate Program will allow the community, as well as Nagios Enterprises, to leverage their creativity and expertise to earn a commission while building stronger relationships between like-minded individuals.”

[Nagios Enterprises](#) has a reputable brand and time-tested products boasting high website conversion rates and impressive community involvement. This involvement translates into greater opportunities for sales commissions and a strong foundation for Nagios Affiliates to begin referring potential customers.

To join the Nagios Affiliate Program, visit [affiliate.nagios.com](http://affiliate.nagios.com) – Registration is free, and affiliates can begin earning sales commissions in a matter of minutes.

With multiple awards, millions of users across every vertical and horizontal sector, and an active worldwide community, Nagios is the industry standard in IT infrastructure monitoring. Nagios provides critical monitoring and alerting for networks, systems, applications, metrics, and business processes. Nagios Enterprises is the official commercial arm of Nagios and provides value-added services, products, and solutions to clients worldwide.
