WEBITE SOLUTIONS COMPANY ANNOUNCES WEB RESOURCE FOR AMERICAN BUSINESS WOMEN IN BRYAN/COLLEGE STATION

The American Business Women's Association of Bryan/College Station strives to bring together business women of diverse occupations. They recently gained a new web resource that was created by the associates of AgniTEK that features an online payment module.

College Station, TX, August 14, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for the American Business Women's Association of Bryan/College Station at <http://www.abwabcs.org>. The new website was designed and created by AgniTEK associates and is live on the web.

The American Business Women's Association of Bryan/College Station strives to bring together business women of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking, support, and national recognition. The Bryan/College Station Charter Chapter of the American Business Women's Association was established in 1979 and is part of a national network of more than 400 chapters with a current membership of approximately 14,000 women. The chapter sponsors several professional development activities which provide members opportunities to develop and strengthen their individual and team skills that they might not otherwise have the opportunity to develop in their jobs. To learn more about membership for the American Business Women's Association of Bryan/College Station, visit their website today.

The website allows the American Business Women's Association of Bryan/College Station features a safe and secure way to pay membership meeting fees online. There are also numerous other features to

assist the organization in running smoothly and providing information to their members and other website viewers. Some of these features include interactive calendars and modules to list programs and events and other information about the organization. The site also features high quality and easy to use photo galleries that display photos from events that the organization hosts. These features was made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years.
