WEBITE SOLUTIONS COMPANY ANNOUNCES WEB RESOURCE FOR BRAZOS VALLEY GATE AND FENCE SERVICES

Bill's Maintenance, a company that offers commercial and residential gate and fence services, recently gained a new website that was created by the associates of AgniTEK.

College Station, TX, August 16, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Bill's Maintenance at <http://www.BCSGates.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Bill's Maintenance, formerly known as Crnkovic Enterprises, Inc. is located in Caldwell, Texas and offers commercial and residential gate and fence services to the Bryan, College Station and the greater Brazos Valley. They specialize in custom gates, fencing, stairs and all repairs. With more than 25 years of experience, Bill's Maintenance offers dependable service with the upmost quality. From the free estimate to completion, they will work with their customers to provide the highest quality of satisfaction. To learn more about Bill's Maintenance and the services they offer, visit their website today.

This website provides Bill's Maintenance assistance in keeping their potential and current customers informed of all the services they provide. There are high quality and easy to use photo galleries that display photos of work they have done in the past. There are also numerous other resources and links for anyone interested in custom gates, fencing, stairs and repair. These features was made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
