BRAZOS VALLEY GATE AND FENCE SERVICES COMPANY PARTNERS ON WEBSITE

Bill's Maintenance, a commercial and residential gate and fence services company in the Brazos Valley, recently partnered with AgniTEK to improve their Search Engine Optimization and internet marketing efforts.

College Station, TX, August 21, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce their partnership with Bill's Maintenance to improve their Search Engine Optimization and internet marketing efforts. Through this partnership, AgniTEK will assist in improving the Bill's Maintenance website so that they can better serve their clients.

Bill's Maintenance, formerly known as Crnkovic Enterprises, Inc. is located in Caldwell, Texas and offers commercial and residential gate and fence services to the Bryan, College Station and the greater Brazos Valley. They specialize in custom gates, fencing, stairs and all repairs. With more than 25 years of experience, Bill's Maintenance offers dependable service with the upmost quality. From the free estimate to completion, they will work with their customers to provide the highest quality of satisfaction. To learn more about Bill's Maintenance and their services, visit their website at www.BCSGates.com.

The Bill's Maintenance website assists the company in keeping their potential and current customers informed of all the services that they provide. There are high quality and easy to use photo galleries that display photos of work they have done in the past. There are also numerous other resources and links for anyone interested in custom gates, fencing, stairs and repair. This online resource was made possible by AgniTEK and its associates, who are currently assisting Bill's Maintenance with building a strong online presence for their website.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
