## **Business of Songwriting Workshop**

From the ground up how to DIY Music Publishing. Fast paced, thorough, informed, objective information from the perspective of someone who's been there. 2 hours + Q&A.

"I've probably learned more in the last two hours than I have in the last 15 or 20 years." - Cy Yaegel, performing songwriter.

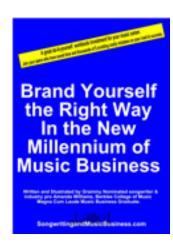

"Amanda Williams is a captivating teacher with years of experience. She knows the ins and outs of the music business, from publishing and copyright to the art of songwriting and performing." - Peter Roselli COO Bluewater Music Services Corp.

## **Write Brain Songcrafting Workshop**

Songwriting takes your whole brain. Learn about right and left brain function and how using different parts of your mind can help you write better songs in less time. Then practice what you have learned, writing in small groups facilitated by 10 year pro writer, and share your new tunes with the group at the end. 4 hours

"Every time I listen to Amanda speak, it just amazes me, the amount of information and the hard work she puts into this business. I'm taking a whole lot more away from here than I paid for." - Elaine Anderson songwriter and NSAI Ashville, NC Regional Coordinator

## **Brand You Workshop**

How to stand out with your music and develop a sustainable career for your original songwriting and artistry. Learn how being unique makes you valuable in the new model. Young or old, there's a brand new way of doing business. 3 hours.

"You will learn more from these workshops than you could spending years in schools or living in Nashville. The material is right on time and way ahead of most other educators out there." Jack Hayford owner Events-in-Music.com and DurangoSong.com
