

You are invited to our agile testing seminar September 4 from 15.30 – 18:00 at the Caballero Fabriek in Den Haag.

*The seminar will consist of a discussion amongst peers based on two agile testing presentations.*

Hear expert speakers discuss their experiences in optimizing the agile development process which will then be used as a starting point of an information exchange of best practices and lessons learned.

#### Program:

- 15:30 Welcome
- 16:00 Kamiel Wanrooij –  
**5 agile tricks to boost software quality**
- 17:00 Roland Felinger, Vivian Wiersum, Shawn Shang –  
**managing distributed agile testing teams**

#### Speakers:

**Kamiel Wanrooij** senior vice president of engineering at Tie Kinetix has more than a decade experience managing agile development teams.

**Vivian Wiersum** – Consultant of TJIP will share experience of working on global agile testing teams

**Roland Felinger** – TestCoordinator/Quality Manager of TJIP, will share vast knowledge of managing agile testing projects.

**Shawn Shang** – Highly experienced Project Manager for XBOSoft has successfully managed numerous agile projects.

**Location: Caballero  
Fabriek - Saturnusstraat 60  
2516 AH Den Haag**
