CEDAR RIDGE PARTNERS HIRES PASCAL RODUIT, DANIEL KEATING AND STETT TRIPPE TO JOIN ITS INVESTING TEAM

Greenwich, CT – Cedar Ridge Partners, LLC is pleased to announce that Pascal Roduit, Daniel Keating and Stett Trippe have joined the Firm's investment management team. Their hiring augments the Firm's capabilities for its existing core alternative long/short credit strategies offerings, as well as additional product offerings in the liquid multi-manager and investment advisory space.

Mr. Roduit is serving as the Firm's Director of Risk Management and a member of the Investment Committee. He joins the Firm from Rock Maple Funds, a New York-based fund-of-hedge-funds manager, where he was the Chief Risk Officer and the Director of Quantitative Research. He received a BA and holds an MBA from The American University, Washington, DC.

Mr. Keating is a member of the Firm's Portfolio Management Team and the Investment Committee. He joins the Firm from Rock Maple Funds, where he was responsible for manager sourcing and portfolio construction for multi-manager fund of fund products in both LP and 40-Act structures. He earned his BA Honours from McGill University in Economics and Finance and is a CFA Charterholder.

Mr. Trippe is a member of the Firm's Portfolio Management Team and the Investment Committee. He joins the Firm from Rock Maple Funds, where he was responsible for distribution of the firm's products and advisory services to wealth management platforms, family offices, foundations and endowments. He raised assets for the firm's commingled funds and managed advisory services across LP and 40 Act products. He received his BA from Hobart College.

Cedar Ridge is an alternative investments manager, offering products in a variety of credit focused, long/short and long-only portfolios, including private funds and separate accounts, and is the sub-advisor of a registered publicly traded mutual fund. "We are very pleased to welcome Pascal, Dan and Stett as members of our alternative investments team" said Alan E. Hart, Managing Partner of Cedar Ridge. "As the capital markets evolve, it is critical that we adapt to the changing landscape, including in regard to risk factors impacting our core markets. Including the recent addition of Jeff Rosenkranz to our investment management team, our Firm has now grown to nine professionals. By growing our team at this time, we are augmenting our investment management skill sets for our existing alternative long/short credit strategies, as well as diversifying our business in a manner that seems fitting for the times."
