WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR DUPLEXES FOR RENT IN BRYAN COLLEGE STATION

Regency Properties offers affordable duplex and house rentals in the Bryan/College Station area. They recently gained a new website created by the associates at AgniTEK.

College Station, TX, August 28, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Regency Properties at <http://www.regencyproperties.net>. The new website was designed and created by AgniTEK associates and is live on the web.

Regency Properties offers duplex and house rentals in the Bryan/College Station area. Affordable off campus housing for Texas A&M and Blinn students in one, two or three bedroom units are available. These homes are Aggie owned and close to campus with backyards and are pet friendly. At Regency Properties, they are committed to reliable and outstanding service for the students. Their business has prospered due to prompt, personal attention and customer satisfaction. Regency Properties is a member of the Texas Apartment Association (TAA). They use the latest TAA lease forms for all rental contracts and applications. They are also members of the National Tenant Network (NTN), for renter verifications, the Better Business Bureau (BBB), Bryan/College Station Board of Realtors and B/CS Homebuilders Association. To learn more about Regency Properties, visit their website today.

The Regency Properties website features an online application that will make applying for a lease much easier while cutting out the extra paperwork. The site also offers a roommate search form, a summary of available properties and their prices, floor plans, frequently asked questions, sample forms, links and much more. All of these features will assist Regency Properties in providing better service to their

residents and potential customers. This website and all of its features were made possible by the associates of AgniTEK.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
