### TripAdvisor Awards Honor to Residence Inn Las Vegas Hughes Center

*Las Vegas, NV, hotel earns Certificate of Excellence from travel website for rave reviews*

**Las Vegas, NV** – Travelers looking for a reputable hotel in Las Vegas are in luck. The [Residence Inn Las Vegas Hughes Center](#) has received a 2013 Certificate of Excellence from consumer-trusted travel website TripAdvisor.

The award is in its third year and is reserved for hotels that maintain an overall guest rating of four or higher on a scale of five and receive an impressive number of customer reviews on the world's largest travel website. TripAdvisor receives more than 50 million unique visitors a month, and is host to over 60 million consumer comments and opinions regarding the travel industry.

Las Vegas extended-stay hotel guests had great things to say about their experiences staying in the Residence Inn Las Vegas Hughes Center. "Everything about this hotel – from service to comfort – rates excellent," complimented one pleased traveler. Another said, "This property has everything. Free breakfast ... parking ... (and) Internet." And several complimented the hotel's proximity to the airport and Hughes Center.

The appreciation is a two-way street. "We are grateful to our guests for choosing Residence Inn Las Vegas Hughes Center," said Residence Inn Las Vegas

Hughes Center General Manager Tiffany Lamp. "Our staff works hard to ensure that guests are treated exceptionally well and enjoy every moment of their stays. It's really wonderful that our guests go out of their way to acknowledge our efforts on TripAdvisor's comment boards. We have their vocal Internet presence to thank for this achievement."

The Las Vegas Hughes Center hotel offers 256 [suites](#) well-equipped for extended stays, and three [meeting rooms](#) with 1,500 square feet of flexible space for business gatherings or small events. Guests sleep soundly on thick mattresses with crisp sheets, custom comforters and fluffy down, feather and foam pillows. It's easy to feel at home with a well-appointed kitchen in every suite featuring a dishwasher, microwave, conventional oven, stove, toaster and refrigerator with icemaker. Guests can enjoy meals seated in a separate dining room with a provided table and chairs. Silverware, plates and pots and pans are also included for added convenience.

As a hotel near the Las Vegas Hughes Center and its many business amenities, the Residence Inn Las Vegas Hughes Center is ideally located for travelers who need quiet to focus on work but want the option of easily hitting The Strip when the day is done. Prospective or summer students enjoy its proximity to University of Nevada, Las Vegas. The outdoorsy types love how much nature is within reach. Red Rock Canyon's hiking trails are a scenic drive away, as are Mount Charleston and the historic Hoover Dam.

**About the Residence Inn Las Vegas Hughes Center**

The Residence Inn Las Vegas Hughes Center is located within walking distance of master-planned, mixed-used development Hughes Center and just minutes away by car from the Las Vegas Strip. The hotel is also convenient to the University of Nevada, Las Vegas and restaurant row. The 256 luxurious suites feature well-appointed kitchens with microwaves, dishwashers, refrigerators, stovetops, toasters, pots and pans and refrigerators. Complimentary breakfast is included, as are evening socials with food and beverages. Complimentary Wi-Fi in rooms as well as in the newly renovated lobby make it easy to stay connected, and three meeting rooms with 1,500 square feet of flexible space are available for business gatherings or small events.
