WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR LANDSCAPE DESIGN AND INSTALLATION IN NORTH TEXAS

Rose Landscapes, a landscape design and installation company serving North Texas, recently gained a web resource that was created by the associates of AgniTEK.

College Station, TX, September 5, 2013— AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Rose Landscapes at <http://www.RoseLandscapes.net>. The new website was designed and created by AgniTEK associates and is live on the web.

Rose Landscapes is the best choice for landscape design, landscape irrigation, outdoor living spaces, water features, patios and driveways in and around North Texas. They are a family business that have been operating since 1969. The company was originally started by Carl Rose, but has now been passed down to his son, Chris, who is currently managing projects in and around the North Texas areas including Flower Mound, Lewisville, Argyle, Coppell, Highland Village, Frisco, Plano, Carrollton, Southlake, Colleyville and Grapevine. Rose Landscapes takes pride in the quality of their work and the experience of their workers. If one is looking to turn their backyard into a comfortable living space or needing to update their landscaping in the front yard, Rose Landscapes is the there to help. To learn more about the services that Rose Landscapes provides, visit their website today.

The Rose Landscapes website serves as a high-quality online resource that will assist customers in learning all about the services they have to offer. The website features high quality photo galleries to

provide visuals of work that they've done previously and can complete the future. It also contains great descriptions on all of the services they provide, testimonials from previous customers, a contact form that enables one to request more information, and a blog. These features were made possible by AgniTEK and their associates.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
