

TW Jackson's ebook 'The Magic of Making Up' that claims to be a so-called 'foolproof' method of getting one's ex back, no matter what the situation of the break-up, has caught the attention of GentlemensUniversity.com's Stan Stevenson, prompting an investigative review.

"The Magic of Making Up is an instant download eBook system that takes you through every step of rebuilding your relationship. Being told that we all have to take a little responsibility when it comes to a relationship goes awry is never nice. The book copes with this in a wonderful manner," reports Stevenson. "TW Jackson's doesn't just cover information that you can find out yourself on the Internet or in other books. He provides you with information in a very real, yet sensitive manner."

The information one instantly receives on purchasing The Magic of Making Up includes getting their head straight, knowing the tell tale signs that show that no matter what their ex might say, one still holds a special place in a lover's heart, why affairs happen (from both a male and female point of view), and why they are not the end of a relationship. People also learn about powerful reconnection techniques that work on the subconscious and trick their ex's mind into thinking they're back together. The ebook talks about The Clean Slate method, which is the fastest way to start over be it forgiveness for having had an affair, taking back hurtful things one might have said, and how to 'break the pattern' of destructive behavior. It also tells people how to inject that 'honeymoon period' that every new relationship goes through at the start.

"The Magic of Making Up is simple to follow and easy to understand. The information provided in it is valid for both sexes, for those who been dumped, or for those who might have had an affair or acted in a manner detrimental to the relationship," says Stevenson. "This ebook helps you to understand why that god-awful emotional pain is so very bad. It makes you feel a whole load better and you start to understand why this book/system is so different from all the others in the market today."

"TW Jackson has helped so many people to get their relationships back on track, no matter how desperate the situation might have seemed. We feel that The Magic of Making Up is one of the most valid 21st century relationship books we've come across in the past few years. It is a complete system on how to get your relationship back on track. The Magic of Making Up offers powerful information that will have your ex begging you to take him/her back and you'll soon have them literally eating out of the palm of your hand. The techniques provided in this eBook honestly do work!"
