PMC GROUP ANNOUNCES ITS PARTICIPATION IN VINYLTEC 2013

Mount Laurel, NJ (September 9, 2013) PMC Group N.A., Inc. ("PMC") announced that its Vinyl Additives marketing team will make its debut at the upcoming Vinyltec 2013 PVC Processing & Additives technical conference to be held on October 22-23 at the Renaissance Woodbridge Hotel in Iselin, New Jersey. PMC technical staff will be presenting on the topic of organotin stabilizers and lubricants.

This two-day conference will be preceded by a one-day seminar entitled "Why PVC Works, Additives and Processes that Enhance Performance". Vinyltec is sponsored by the Vinyl Plastics Division and Palisades New Jersey section of the Society of Plastics Engineers (SPE). PMC Group will be sponsoring a cocktail reception at Vinyltec on Tuesday, October 22nd from 5:30 until 7:00 pm.

PMC Group's industry-leading trade names for vinyl additives include ADVASTAB™, ADVALUBE™, ADVAWAX™, ADVAPAK™, ADVAPAK™ NEO™, Thermolite®, BAION™, CrystalWax®, Kemamide® and Kemester®. These products are available in a variety of physical forms and types—custom blends, discrete components and one-packs.
