

# Don't Sing Songs to the Heavy Hearted

Relating to those who are suffering

Thursday, October 3, 2013 • 1:00-2:30 p.m.

A practical workshop for pastors, Stephen Ministers, faith community nurses and church leaders.

“Like one who takes away a garment on a cold day,  
or like vinegar poured on a wound,  
is one who sings songs to a heavy heart.”  
-Proverbs 25:20

After the death of his wife, Stephen Ministries founder and executive director Dr. Kenneth C. Haugk began to research what was really helpful for people going through great suffering. His book *Don't Sing Songs to a Heavy Heart* was written as a result. Joanne Foster, a gerontologist and director of senior adult ministries at Upper Arlington Lutheran Church, is offering a seminar at Rockynol featuring this book. Come be renewed as we hear Dr. Haugk's wisdom, which will guide us to reach out effectively to those around us who are suffering.
