Prominent and Distinguished Divorce Lawyer Opens New Law Firm

San Antonio, Texas – September 16, 2013 – Prominent [San Antonio divorce lawyer](#) Deanna L. Whitley has opened up a new law firm that will offer services regarding divorce, child custody, adoption, and other family law related issues.

Additionally, Deanna Whitley's new firm, The Whitley Law Firm, P.C., will handle all family law issues faced by the LGBT community in the Greater San Antonio area.

These issues include same-sex adoptions, same-sex estate planning, and surrogacy agreements. Those in need of such legal services can learn more about The Whitley Law Firm, P.C. by visiting the firm's brand new web site.

“As the spotlight on same-sex issues grows, there is a real need in the law to ensure the best interests of children of same-sex couples are protected and provided for the same way as for all children, “ says Whitley. “My hope is that by using creative litigation strategies, I can provide that protection until these children are viewed as equals with all other children under Texas Law.”

Although Texas does not currently recognize same-sex divorce, The Whitley Law Firm, P.C., can provide legal services regarding post-nuptial agreements to ensure both the property accumulated during the marriage, and any child custody issues are protected and preserved.

“As a [family law attorney in San Antonio](#), my job is protecting all families . . . not just those involving one man and one woman.”

Known for her creative litigation strategies in and out of the courtroom, Whitley has established a trusted and well-known reputation for being one of the best [San Antonio divorce lawyers](#) today. She has been named “Best Lawyers in San Antonio: Family Law,” every year since 2008. She also has been named by Martindale-Hubbell in the Bar Register of Preeminent Lawyers (2010, 2011).
