The Sustainable Packaging Solution

Build your brand with pride using EcoEarth—our newest FDA approved, FSC certified heavy weight folding carton solution that doesn't make you choose between quality and sustainability.

- Made from 100% recycled fiber, minimum 85% post-consumer waste
- Superior smoothness showcases high-impact graphics
- FDA approved
- FSC certified
- Stocked in 36 pt caliper
- Available in brown 2 sides, white/brown, and white 2 sides

EcoEarth is the sustainable choice for a wide variety of markets:

Automotive
Food and Beverage
Hardware
Health and Beauty
Household Chemicals and Cleaners
Office Supplies
Organic Goods
Pet Foods
Pharmaceuticals and OTC
Sporting Goods
Toys
