At AutoTex PINK, we care about more than the bottom line. In addition to supplying the highest quality and best wiper program available, we are tirelessly committed to partnering with our customers to raise breast cancer awareness. A portion of every sale of AutoTex PINK wiper blades goes directly to the National Breast Cancer Foundation, for sales in the United States or the Breast Cancer Society of Canada. AutoTex PINK is more than just a statement; it's a real partnership, a selfless commitment, and an investment in life-saving change.
