PRACTICE MANAGERS SAY:

"On the Floor @Dove is an in-depth and comprehensive resource that helps us to add one more layer of **training for staff**—and it's a good refresher for the rest of us."

VETERINARIANS SAY:

"On the Floor @Dove is an **excellent CE website** for veterinarians and technicians to learn new techniques and review procedures. I learn something new with each video I watch or article I read!"

TECHNICIANS SAY:

"I appreciate the way that On the Floor @Dove builds community, cultivates pride in good work, and **raises the standard of care** for our profession."

RECEPTIONISTS SAY:

"I love how On the Floor @Dove really emphasizes receptionist communication with clients in a hectic and emotional emergency setting. Personally, **more has been absorbed** through this site than reading magazines or articles online."

INSTRUCTORS SAY:

"I've worked as an instructor for nearly 20 years and I've never come across anything like your site before. It is **truly invaluable** to me as an instructor and it's so important for our students to see these videos."

STUDENTS SAY:

"The training features and other content on the site are a **huge benefit** for us to have at our disposal as we enter the second year of our program and get closer to starting our clinic rotations."
