TRAINING DONE DIFFERENTLY

What You Get

On the Floor @Dove is **real, useful and never boring**. In other words, we give you online training content your team actually wants to watch and read.

Everyone in your practice can browse content based on their specific professional roles. Managers can assign content to staff members, and tracking team progress is easy thanks to our quizzes and detailed member activity reports. Pretty cool, right?

With On the Floor @Dove, you can:

- Learn from practicing professionals handling **real cases**
- Watch high-quality **procedure videos in HD**
- Review surgeries, discussions and **management topics**
- Earn **RACE-approved CE credit**
- **Assign content** to individual team members
- Monitor learning with **quizzes and certificates**
- Measure team progress with **member activity reports**
- Take advantage of **new content** added weekly

The Real Difference

At On the Floor @Dove, we create unscripted HD videos that make you feel like you're working and learning with us on the hospital floor. Fractious cat in the building? You're going to see raw footage of how we handle him. Complicated procedure? We'll show you how we do it, up close and personal, every step of the way. Tough management topic? We'll talk it out with some of the best in the industry. **No sugar-coating. Real training.**

Our Hospital

On the Floor @Dove is powered by **DoveLewis Emergency Animal Hospital**, a nonprofit in Portland, Oregon. DoveLewis was founded in partnership with Portland Veterinary Medical Association (PVMA) in 1973 and is accredited by American Animal Hospital Association (AAHA). Our staff sees more than 12,000 patients every year, and we have one of the largest volunteer-based animal blood banks in the nation. Learn more at dovelewis.org.
