## **Marriage License Information:**

### ***St. John's County***

4010 Lewis Speedway  
St. Augustine, FL 32095  
904.819.3640

It is the easiest part of the whole process!

### **Requirements**

- Both parties must be present and have an acceptable form of picture identification, drivers license are preferred. If you are not a U.S. citizen, a valid passport must be presented.
- Social Security numbers will need to be provided. If either or both parties are not U.S. residents, then a valid passport will act in lieu of the Social Security number.
- It is required by Florida Law that a [Family Law Handbook](#) be read prior to issuance of the marriage license.
- If either party has been previously married before, the exact date of the last terminated marriage must be known.
- If 16 or 17 years of age, both parents must sign and have notarized a [Certificate of Consent for Marriage](#). If under 16 years a court order must be obtained. Exception is a minor that has been married before, as they are considered an adult.
- The state of Florida now requires a 3 day waiting period if both parties are Florida residents and have not taken an approved marriage class. Non-Florida Residents do not have this waiting period, you can be married the same day.
- The license is good for 60 days from the effective date and can be used anywhere in the State of Florida.
- The cost of the license is \$93.50. If the couple has attended an approved counseling class the price is reduced to \$61.00. The provider of the class must be listed with the Clerks office. Inquires may call 904-819-3640.

### **Changing your name?**

If you change your name, be sure to tell Drivers License Bureau as well as Social Security. And tell your employer about your name change too. Making sure all your records are correct now means you'll get the right Social Security benefits later. To get a new Social Security card, you'll need identification that shows your old name and your new name, such as a marriage certificate or divorce decree. If you were born outside the U.S., you will also need proof of U.S. citizenship or that you are living in the U.S. legally. The new card sent to you will have your new name and the same number. And it's free. You never need to pay for Social Security services like this. Just call Social Security at 1-800-772-1213 for information on how to get your new Social Security Card.

### **Need further information?**

Any further information may be obtained through the Clerk of Circuit Courts office by calling 904-819-3640.
