**THE INTERNATIONAL EXHIBITION OF SHERLOCK HOLMES DEBUTS IN PORTLAND
WITH AN EXCLUSIVE GETAWAY AT THE GOVERNOR HOTEL**

***“Elementary, My Dear” package includes admission to the world premiere of
a riveting exploration of the world's most famous detective at OMSI.***

September 25, 2013 – PORTLAND, Ore. – Seemingly trivial clues whose true meaning are unlocked by the powers of observation will lead modern day investigators through *The International Exhibition of Sherlock Holmes*, an interactive exhibition making its world debut October 10, 2013 at Oregon Museum of Science and Industry.

In conjunction with the exhibition, the Governor Hotel is offering an *Elementary, My Dear* overnight package that includes admission for two to the exhibition; an authentic Deerstalker hat, just like the one Holmes himself famously wears; a commemorative exhibition chocolate bar; \$20 food and beverage credit to Jake’s Grill at the Governor Hotel; and a notebook for recording keen observations about this one-of-a-kind getaway.

While exploring *The International Exhibition of Sherlock Holmes*, guests will be transported to Holmes’ London to solve a crime in a world filled with innovation and experimentation. The fictional sleuth’s now iconic techniques, created in the mind of doctor-turned-author Conan Doyle, changed the way police work was conducted and remain in practice today. *The International Exhibition of Sherlock Holmes* features original manuscripts and period artifacts, investigative tools influenced and used by Sherlock Holmes, interactive crime-solving opportunities and a robust collection of all things “Sherlockian,” ranging from vintage comics, and magazines to movie and television props and costumes.

The Governor Hotel’s *Elementary, My Dear* package can be booked now for stays between October 10, 2013 and January 5, 2014 at www.governorhotel.com/specials. Rates start at \$259, per night, plus tax.

The International Exhibition of Sherlock Holmes was developed by Exhibits Development Group and Geoffrey M. Curley + Associates in collaboration with the Conan Doyle Estate Limited, the Oregon Museum of Science and Industry, and the Museum of London
