

**ACROPRINT**

# timeQplus *FaceVerify*<sup>™</sup>

*Touch-free facial recognition  
to eliminate buddy punching*

Designed for QuickBooks<sup>®</sup>

*Smart Biometric Solution for Time and Attendance*

With Acroprint, you can take control of your labor costs. Lost minutes could be costing you thousands of dollars per year. Based on 250 working days per year, the chart below shows actual time lost at the conservative rate of 20 minutes per day.

# EVERY MINUTE COUNTS.

HOURLY RATE	COST PER MINUTE	NUMBER OF EMPLOYEES					
		2	5	10	25	50	100
\$8.00	\$0.1333	\$1,333	\$3,333	\$6,667	\$16,667	\$33,333	\$66,667
\$12.00	\$0.2000	\$2,000	\$5,000	\$10,000	\$25,000	\$50,000	\$100,000
\$15.00	\$0.2500	\$2,500	\$6,250	\$12,500	\$31,250	\$62,500	\$125,000

## FEATURES

- Ideally suited for small businesses who want to automate their time and attendance process and eliminate buddy punching.
- Included software capacity for 50 employees. Easy to manage additional employees with a 25 user upgrade. Upgrade options can handle up to 250 employees.
- Can handle weekly, biweekly, semi-monthly or monthly pay periods including up to 12 shifts with two levels of overtime.
- timeQplus™ Software allows you to edit employee punches, view reports at your PC monitor, export data to 3rd party payroll programs, and save data to text file.
- **NEW** Job costing functionality allows your employees to punch IN/OUT using work codes for labor tracking.
- **NEW** Employee Status and Total Hours Worked are now displayed on the terminal screen when clocking IN/OUT.
- Exports directly to popular payroll formats, including QuickBooks®, eliminating the need for manual calculations.
- Multiple report options including Hours Summary and Time Cards.
- Software or user interface available in English, Spanish and French.

### Touchless Biometric Option to Clock In/Out

- Simply look into the terminal. Verification time is less than one second.
- Infra-red optical sensors enables user identification in poorly lit environments.

### Automates Time & Attendance Process

- Reports regular hours, two levels of overtime, vacation, sick/personal hours, holidays and other categories.
- Exports to third party payroll programs and saves data to text file.

### Large Storage Capacity Biometric Terminal

- Holds up to 1000 faces and 10,000 proximity cards with a storage capacity of 100,000 transactions.

### Perfect for the Small Business

- Easy to set up PC software. Terminal connects directly to PC or Ethernet via Local Area Network.
- Grows with your business. Flexibility to add new users and terminals.
- Software comes with 50 employees with the option to upgrade to 250 employees.

### Terminal Retains Data

- Transactions are stored on the terminal until retrieved by the PC application.

### Prevents Buddy Punching

- High performing algorithm uses facial characteristics for positive identification.
- Fast and accurate way to clock in/out with touch-free operation.

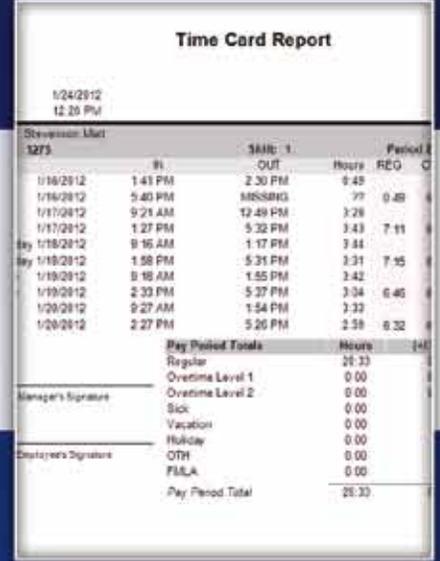

## Punch In/Out

## Edit Time Cards and Print Reports from Your Computer

## Export Data to Payroll
