

Connecting you to lenders

DealerCenter DMS subscribers now have more financing options than ever! With our RouteOne integration, dealers have connectivity to over 1,000 lenders across the country. DealerCenter and RouteOne make it easy to get deals done.

Features of RouteOne Credit Application Platform Integration

- Quickly and easily exchange application and decision information automatically between DealerCenter and your finance sources.
- Enter customer data only once
- Choose your desired finance sources from RouteOne's extensive network of options
- Single click submission of the credit application to your selected finance sources
- Receive and compare finance source credit decisions side by side in DealerCenter
- Approve finance offers in DealerCenter
