## ANSWERING SERVICE AND VIRTUAL RECEPTIONIST COMPANY PARTNERS ON WEBSITE

Bryan 800 offers live answering, voicemail, virtual receptionist, and emergency response services nationwide. They recently partnered with AgniTEK to improve their Search Engine Optimization and internet marketing efforts.

College Station, TX, October 2, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce their partnership with Bryan 800, to improve their Search Engine Optimization and internet marketing efforts. Through this partnership, AgniTEK will assist in improving the Bryan 800 website so that they can better serve their customers.

Bryan 800 Answering Service was founded in 1981 and has been providing the necessary tools to help businesses succeed in the technologically advanced world ever since. At Bryan 800, they offer live answering, voicemail, virtual receptionist, and emergency response services nationwide. They understand how important every call is and want their clients to be confident that they will treat their callers with professionalism, respect and courtesy. The goal at Bryan 800 Answering Service is to answer calls in a friendly, professional manner when someone else can't or doesn't want to. Their answering service is available 24 hours a day, 7 days a week, 365 days a year. To learn more about the services that Bryan 800 provides, visit their website at <http://www.bryan800.com> today.

The Bryan 800 website has multiple resources that allows them to relay information about their products and services to all of their customers. The website features an online sign-up for a free two week trial. They also feature a client login portal so that current clients can login to access their

information. Beyond that, the website provides detailed and organized pages of information explaining what all they have to offer as well as client testimonials and an online contact form. This online resource was made possible by AgniTEK and its associates, who are currently assisting Bryan 800 in building a strong online presence.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work.
