Testimonials

"Working with the TOPYX staff has truly been a pleasure. Any question I have I feel comfortable that our project manager will provide us with the best solution. TOPYX software is so inclusive that it allows us to focus on maximizing the tools provided verses trying to figure out what tools we should be asking for."

Danielle Brown Fuller, Chief Quality Assurance Officer,
 Big Brothers Big Sisters of New York City

"We chose TOPYX because we needed an eLearning solution that would help us better engage and train our channel partners and customers all over the world for our group. The social networking features of TOPYX also help us provide a more collaborative learning experience, which we believe will result in a more impactful learning experience. Finally, TOPYX was a great overall value, providing a total solution that was easy to use and implement."

Ron Markey, Manager,
 McAfee Education Services, Saas Email and Web Security

"With TOPYX, we found an engaging eLearning software solution that truly works. It allows our employees to learn when they want, where they want. In addition, we found TOPYX to be easy to use, allowing both instructor and learner to utilize the platform very quickly. We also took advantage of its large catalog of 'best of breed' eLearning content."

TOPYX was a fraction of the cost of other platforms and provided a total solution for our eLearning needs from the very beginning."
