

Since 2008, Nemours duPont Pediatrics, Newtown Square, has provided families access to medical experts from Nemours/Alfred I. duPont Hospital for Children. With the opening of Nemours duPont Pediatrics, Bryn Mawr, across from Bryn Mawr Hospital, we provide expanded specialty care along with imaging, therapy and surgery services. Every detail in the new facility has been designed to enhance a superior health care delivery experience for patients, families and providers.

## Services offered

### SURGERY CENTER

The Alfred I. duPont Hospital for Children  
Surgery Center, Bryn Mawr

Our pediatric outpatient surgery center features Nemours surgeons, anesthesiologists and nurses. Many Nemours surgical specialists will have offices in the building to make pre-surgical consultations and follow-up appointments more convenient for surgical patients. Specialties performing surgery include ENT (otolaryngology), gastroenterology, general surgery, plastics, urology, ophthalmology and orthopedics.

### THERAPY SERVICES

A Department of Nemours/Alfred I. duPont Hospital for Children

Nemours physical, occupational and speech therapy and sports medicine rehabilitation are provided in a specially designed gym. This facility includes more than 3,500 square feet of therapy space featuring a plyometric and agility area, 27-yard indoor running lane and a comprehensive concussion testing and management program.

### IMAGING SERVICES

A Department of Nemours/Alfred I. duPont Hospital for Children

For added convenience, X-rays will be available on-site.

*Turn over for address and directions.*

## PEDIATRIC SPECIALISTS

Nemours pediatric specialists see patients in Bryn Mawr and Newtown Square.
