

What is PlayTheGroove.com?

We began with a simple premise:

Changes to the status quo in rhythm-section based music education are needed to ignite a love of learning in aspiring musicians.

We solve this challenge by providing fresh, accessible music content of modern world styles through a state-of-the-art delivery system.

PlayTheGroove believes in a new way to play, teach and distribute music. We know teachers want to inspire their students to reach their full potential and students want to learn how to accurately play music that appeals to them. Our goal is to help musicians prepare for the real world. PlayTheGroove accomplishes these goals with fresh choices of music and smartly crafted charts that engage the learning process.

PlayTheGroove.com offers a centralized, one-stop solution for educators and musicians alike, with uniquely crafted content based around great songs. Our new, dynamic approach to teaching and to learning music includes:

- New *rhythm-section* based music in modern world styles
- Artists/bands hand-picked by PlayTheGroove for great music and strong educational appeal
- Lead charts and immensely flexible arrangements based on the actual compositions recorded by these artists – real music by real bands from real CDs
- Accommodation of a wide combination of instruments at varying skill levels
- Immediate delivery of charts and mp3s
- Cost-effective products for all skill levels
- Innovative teaching methodologies to help educators stimulate engagement, accelerate growth and get the best value from the arrangements

Music's nature is evolutionary.

If you want innovative educational materials and opportunities for aspiring musicians, your approach to finding, accessing and using music needs to evolve as well.
