# vibe
HCM

What is Vibe HCM?

Vibe HCM transforms HR Service delivery - providing a personalized, interactive **HRMS, Talent Mgmt** and **Social Collaboration** suite for your global workforce.

Why Vibe HCM?

Your employees will love it's intuitive design and social capabilities. Drive efficiency by automating processes, services and employee interactions!

Who uses Vibe HCM?

Vibe HCM is ideally suited for companies with 100's-100,000's of employees. Customers **deploy** on a **modular, SaaS basis** driven by their strategic initiatives.
