## WEBITE SOLUTIONS COMPANY ANNOUNCES WEBSITE FOR HOMESITES FOR SALE IN SOUTH COLLEGE STATION

Castlegate II, a master planned community in South College Station, recently gained a web resource that was created by the associates of AgniTEK.

College Station, TX, October 9, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a website for Castlegate II at <http://www.castlegatecommunities.com>. The new website was designed and created by AgniTEK associates and is live on the web.

Castlegate II is 202 acres that blends unique homebuilders, prime location, strong schools, and one-of-a-kind amenities into one master planned community located in South College Station consisting of over 640 homes. Home owners seeking uniqueness, quality and value can find the perfect lot to build their home in Castlegate II. Homesites are currently available for new homes. Residents will enjoy luxurious amenities including a resort style pool, fitness park, jogging trail, greenbelts and a beautiful lake that is stocked for fishing. Castlegate II has created a community where residents can have a unique lifestyle where they can live, recreate, work and shop. To learn more about Castlegate II, visit their website today.

The Castlegate II is a well-organized and easily navigable website that presents all the information customers would need to know about the community. The site offers homesite availability, detailed descriptions of the community and its amenities, information on schools and builders and a contact form to help potential customers gain more information. This website and all of its features were made possible by the associates of AgniTEK.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
