PRODUCT
SHOWCASE

Product Name

Custom 3D USB Drive

Product Features

· Make virtually any product into a USB drive

· Easy to order — send us product photos and we take care of 3D modeling, tooling, and production with one simple price

· Durable PVC-resin material can be molded into any shape

· Latest memory chips with lifetime guarantee

· Competitive pricing

· Fastest delivery time

· Free data loading, optional non-eraseable partition

Specifications

Material:	PVC-Resin (shown), wood, ABS plastic, metal
Capacity:	128MB to 64GB
Size:	Any size, usually up to 4"x2"x1.5"
Min. Qty:	100

Pricing

Prices include 3D modeling, tooling, and production from customer supplied product samples or technical drawings. Prices are "per unit" based on quantities listed.

Cap\Qty	100	250	500	1000
1GB	$16.99	$16.49	$15.99	$15.49
2GB	$17.99	$17.49	$16.99	$16.49
4GB	$18.99	$18.49	$17.99	$17.49
8GB	$19.99	$19.49	$18.99	$18.49
16GB	$29.99	$27.99	$25.99	$23.99
32GB	$49.99	$46.99	$43.99	$40.99
64GB	$79.99	$74.99	$69.99	$64.99

What to Supply for Modeling

All we need is a few high-res product photos from different angles. Please specify Pantone numbers for color matching.

Turnaround Time

Standard turnaround time is approximately 30 days from start to finish. Due to the custom nature of this product, exact turnaround time may vary depending on project complexity.
