Dear Media and Press Contact,

DC Marketing / PR / Event Solutions represents Producer Cory B. Clay, the Owner of The Jukebox Romeos; a Creative Producing Agency for Film, TV and Music. Cory B. Clay is also the Executive Vice President of Saint Louis' premier digital Cinematography shop, House of Motion, with his partner; Dave Rutherford. Cory B. Clay is Producing the Exclusive Concert Film for Grammy Award Winning Artist Gretchen Wilson, Directed by Blake Judd of JuddFilms. The team will shoot the 10 Year Reunion Concert and DVD Taping for her smash hit "Still...Here for the Party" on October 15th 2013 at 8PM at The Pageant Theater, located in the fantastic University City Loop on Delmar Boulevard in SLT.

Here for the Party was the 2004 debut album by American [country music](#) singer [Gretchen Wilson](#). It reached the top of the US country charts in May 2004 and number 2 on the [Billboard 200](#) album charts. Now almost 10 years later she is doing her "Still...here for the Party" Debut and DVD Taping with Cory B Clay of The Jukebox Romeos / HOM and Director Blake Judd of JuddFilms.

Cory B Clay was raised in St. Louis MO and is a alumni of The Webster University. At a young age he realized he was gifted with the creative talents of Directing and Cinematography. He graduated with a BA in Film Production and before even finishing school was integrated and working full time in the St. Louis market. This is his home town and we are thrilled to be working with such a talented team on the home turf of both Gretchen Wilson and Cory B. Clay!

Some of Cory B Clay's past work includes Commercials for Nissan and Adidas as well as several documentaries and music videos such as a line of Blackberry Smoke Music Videos to launch soon. For more info on Cory B. Clay you can check out these websites:

This opportunity to work with Gretchen Wilson and her amazing team in their home city has given us a platform to show the local community support and admiration for a breeding ground of successful people that take no prisoners and go after what they want.
