Help save the lives of 2,000 cats and dogs that will otherwise be euthanized at County shelters in 2014.

SPCA of Brevard is producing four Mega Adoption Events in 2014.

Approximately 500 cats and dogs at risk for euthanasia will be pulled from County shelters several weeks prior to each event.

These cats and dogs will need TEMPORARY foster homes in order to SAVE THEIR LIVES.

Foster caregivers will have full support from the SPCA of Brevard and other organizations. Training will be provided.

Help Brevard County become a No-Kill Community.
