iTooch TOEFL™ Prep Solutions Brief

Enabled by Ultrabook™ Devices

More than 27 million people worldwide have taken the TOEFL test to demonstrate their English-language proficiency at the university level. This test is the most widely respected English-language test in the world, recognized by more than 9,000 colleges, universities and agencies in more than 130 countries.

However, learning English and passing this test can be very challenging for non-native English speakers. With the iTooch TOEFL™ Prep app by eduPad, English language learners get an innovative new way to learn English, making it an ideal solution for both teachers and students.

Featured on Ultrabook™ devices and Windows* 8 tablets with an Intel® Atom™ processor, iTooch TOEFL Prep has the largest collection of questions based on the U.S. National Standards to prepare for the TOEFL test. It provides more than 1,500 exercises that help both students and teachers identify and address English learning needs in fun and motivating ways.

The iTooch TOEFL Prep app is an innovative new way for students to learn and practice English in order to pass the TOEFL exam. It provides comprehensive learning practices that cover the speaking, listening, reading and writing sections of the exam, with questions styled after the TOEFL exam.

iTooch TOEFL Prep app is great For:

- Students studying to take the TOEFL exam for the first time

- Anyone learning English and preparing to take another EFL exam, since it teaches core English language skills needed to pass other tests.

- English teachers who wish to identify and address the learning needs of students in a fun and interactive way.
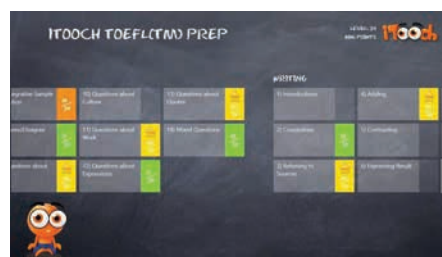

The iTooch TOEFL Prep app features:

Extensive Learning Capabilities

This app includes a database of thousands of questions that cover the TOELF official educational curriculum. The exercises comply with the U.S. Common Core State Standards.

Badges and Achievements

The numerous badges and achievements provide a great incentive for students to become further engaged and excited about learning English.

Blackboard and Calculator

A featured blackboard and a calculator allow users to write and calculate directly on the screen through the touch capabilities of Ultrabook devices.

Lessons, Hints and More

Each chapter includes multimedia lessons that can contain text, images, sounds, hints and detailed answers. A lesson summary is provided for each chapter to reveal the core concepts students should know to answer questions correctly.

Zero Lag

The app requires no Internet connection and it can instantly move from one screen to the next, without the lag of an Internet-based program.

Always Up To Date

iTooch TOEFL Prep automatically syncs in the background whenever an Internet connection is available, in order to ensure the latest features are available.

iTooch TOEFL Prep – Powered by Ultrabook Devices

New Ultrabook devices and Windows* 8 tablets with an Intel Atom processor are powerful platforms that provide innovative new ways for English language learners to learn English in preparation for the TOEFL exam. The touch capabilities, high-resolution screen and high-speed Intel processors make learning English interactive, enjoyable and dynamic.
