

## Erotic New Restaurant at Desire Riviera Maya: SAHLÓ

At Sahló, enjoy the most fascinating aphrodisiac specialties and experience the real taste of seduction in the most sublime way.

Feel the sensual touch of our clothing optional resort, in every

corner of Sahló that has been carefully decorated with an erotique and modern style. Provided with unique details such as a suggestive array of images, statues of women silhouettes and elegant masks, Sahló becomes a promise of moments filled with mystery and

eroticism.

The erotic atmosphere of Sahló will be the ideal frame for unique culinary creations that will please the most demanding palates.

And if you thought Sahló was only about giving you the most delicious dining experience, you can be farther from the truth, because after dinner the surprises continue with our Piano Bar, Jazz nights and erotic show that will make one perfect night.

Sahló is open from 6:00 p.m. until 1:00 a.m. Although Desire is a clothing optional resort, this restaurant has a sensual–elegant dress code. Reservations are not required.
