LET THEM EAT CHOCOLATE

Jin Patisserie's Holiday Offerings Range from Chocolate Christmas Trees to Gift Boxes Filled with Chocolate Dipped Delicacies

(Los Angeles, CA) 'Tis the season to indulge and Jin Patisserie's decadent selections for the holiday are no exception: the chocolate Christmas tree (\$38) and the chocolate Holiday Log Cake (½ kilo, \$38 and 1 kilo, \$68).

The Christmas tree has a unique design each year. The tree is made with a sheet of 74% dark chocolate wrapped into a cone shape and decorated with abstract chocolate pieces hand-painted gold and silver, and interspersed with brightly colored chocolate candy. The holiday log cake features chocolate sponge cake layered with Santarém 65% chocolate cream, homemade peach compote, and decorated with fresh fruits. Orders can be placed until December 23, 2013. The gift boxes include new chocolate dipped delicacies, cookies, nuts, pound cakes, and seasonal preserves. Retail prices for the gift boxes range from \$27 - \$93.

Jin Patisserie also has a selection of truffles, macarons in twelve different flavors, and Theodor's hand-picked organic tea from around the world. Their signature truffles and caramels range from \$5.50 to \$55. All of Jin Patisserie's products are made with only fresh natural ingredients and do not contain preservatives.
