

OUTPLACEMENT THAT'S SMART

Our Outplacement Services provide a smart mix of people and technology to project-manage rapid employment strategies that ensure the success of the departing employee while maintaining your good reputation. Each displaced employee is partnered with a dedicated career expert and equipped with our CareerSmart virtual tools to help them land that next opportunity, quickly and successfully. We offer four Outplacement programs, and can even customize a track just for you.

CareerSmart is our virtual Outplacement workspace that combines career coaching with cloud technology so transitioning employees can connect to new opportunities quickly and efficiently.

CareerSmart Virtual Tools

Assessments – Employees take assessments on temperament, interests, values, and strengths, and how they connect to job and career options

Job search – Employees utilize a user-friendly, web-based search tool that allows them to access job feeds as well as organize and execute job-search campaigns

Resume builder – Resume writing assistant and resume tracking

Career research – Employees use career research tools to identify organizations that may be hiring, understand industry trends, prepare for interviews, and position themselves to land quickly onto their new path

Communication – A dashboard style homepage for employees with up-to-date information and communication tools. Employees can easily communicate with their Career Coach.

Networking and Social – Integration with LinkedIn, making social networking quick and simple for employees. Employees can network and manage all their contacts in one secure place

Reporting – Employer has access to real-time reporting and metrics on employee progress

Our SMARTER process provides in-depth assessments on PERSONALITY, SKILLS, INTERESTS and ABILITIES.

We teach employees how to EMBRACE CHANGE and TAKE CHARGE of their careers and future.

Transitioning employees can CONNECT to new opportunities quickly and efficiently.

Choose the Outplacement Program that's right for you, or contact us to discuss a customized track.
