EMED AIR AMBULANCE JAMAICA ESTABLISHES TOURIST EMERGENCY MEDICAL EVACUATION SYSTEM.

Kingston Jamaica,--(Marketwire - October 30,2013) - EMEDICAL GLOBAL JAMAICA LTD.(EMED), Jamaica's premier air ambulance evacuation service today announced that it has entered into an agreement with the Port Authority of Jamaica. This agreement allows EMED's emergency ground and air ambulance evacuation services for cruise ship passengers traveling to Jamaica.

EMED is a known leader and innovator in the ground, air ambulance, concierge medical employee group services, and medical technology solutions. EMED has positioned a fully equipped air ambulance aircraft at Tinson Pen Aerodome, Kingston, Jamaica. EMED will provide services for cruise ship passengers in need of emergency evacuation services.

According to CEO Duane Boise, "EMED offers this critical service in support of Jamaica's mature tourist industry which allows tourists the peace of mind that in the event of a medical emergency they have a trusted advocate while far from home." Mr. Boise further stated, "When you are sick and need to recuperate we give our patients the ability to fly home and feel better."

EMED has developed many new technologies that make it easier for doctors, flight nurses and paramedics to have up-to-date health information that is accessible in a moments notice.

In support of EMED's venture with the Port Authority of Jamaica EMED has developed a one of a kind mobile application for Android, Apple and Blackberry devices that allows tourists to easily access EMED's emergency ground and air ambulance services, approved network of Physicians and hospitals in a moments notice.

Jason Pawloski Chief Technology Officer for EMED, said, "The importance of rapid response to critically ill or injured patients cannot be overstated. Those who follow these critical emergencies know the value of technology. We have merged our technology with medical preparedness which makes our health IT products and services unique.

Recently EMED has developed specific services for the islands largest union The Jamaica Civil Service Association(JCSA). Also, many large resort hotel groups, distribution, manufacturing companies and banking institutions have recently joined with EMED. "Combining resources with many institutions enables us to serve a targeted group of customers with a product that can both help save lives and accelerate the recovery process." added Nicola Wright Vice President of operations Montego Bay Jamaica.
