

TRAINING COURSE DETAILS

## Part M Essentials – 1 Day Overview

### INTRODUCTION

The Aims of the course are to provide delegates with a general overview of all parts of EASA Part M, to provide a comprehensive understanding of the role of EASA Part M and all its subparts and to understand how it relates to Part 145.

The course delivers a detailed practical understanding of EASA Regulations relevant to the Part M Environment. An understanding of the maintenance organisations responsibilities, contracted arrangements, and a thorough understanding of the organizational responsibilities associated with Part M compliance.

The course is focused and stimulating, very practical and participation is encouraged. It is ideally suited to Leasing Company Personnel, Accountable Managers, Post Holders Maintenance Management Staff and Quality Personnel.

The primary purpose of this training is to provide a thorough understanding of the Role of Part M in all jurisdictions managed by an EASA Regulatory environment. To introduce delegates to the working of the Part M Regulatory Structure and to enable a full understanding of the operator's responsibilities, Contracted arrangements, Subpart G responsibilities.

The Training focuses on the Operators specific responsibilities, In particular the role of Contract and Subcontract organisations.
