This is “Your Cuba.”

Extraordinary

As a Cuba Cruise passenger “Your Cuba” includes the chance to visit six UNESCO world heritage sites and four National Parks & Preserves. You can walk down cobblestone streets, up mountain paths, through rain forests and, of course, on fabulous world-famous beaches. And, each night you’ll get to enjoy the incredible imported fresh food, entertainment and comfort of your world-class ship.

Experience the best of an all-inclusive resort and a cruise vacation, combined with a Cuba that few people ever get the chance to see.

"Your Cuba Cruise" Itinerary

Embark at either **Havana** or **Montego Bay**. It's "Your" choice.

Havana

One of the great historical cities of the New World. A throwback in time, Havana displays a colourful combination of colonialism, capitalism, and communism blended into one.

We sail at sunset out of the harbour and past the magnificent colonial era forts that guard the entrance.

Holguin

Christopher Columbus discovered this region in 1492 and declared it to be "the most beautiful land ever seen by human eyes".

Holguin is famous for some of Cuba's most beautiful beaches, and stunning countryside. Explore the isolated La Mensura National Park, hike the UNESCO biosphere of Cuchillas de Toa, or the Guayabo waterfalls plunging 200 meters...

Santiago de Cuba

One of the most interesting and historically significant places in Cuba, Santiago de Cuba is the island's center for Afro-Cuban culture and a key to Cuba's unique personality.

Discover the diverse range of Cuban music and visit the ruins of French coffee plantations recognized by UNESCO.

Cienfuegos & Trinidad

Enjoy the beautiful city of Cienfuegos and view the impressive Castillo de Jagua, a fortress erected in 1745 for protection against Caribbean pirates.

Visit the colonial village of Trinidad, a UNESCO world cultural heritage site. Bask in the warmth of the people and the charming cobblestone streets.

Punta Frances on the Isle of Youth

Pine forests scent the "Isle of Youth" and mingle with orange blossoms and warm ocean breezes.

We anchor just off the island and transfer to the beach at Port Frances. This is a glorious beach of pure white sand surrounded by crystal clear warm waters - perfect for snorkelling. Enjoy a beach barbecue in the sunshine and listen to live music provided exclusively for you.

Jamaica, Montego Bay

Montego Bay is one of our two exciting embarkation ports.

With unique culture, beaches, picturesque mountains, and incredible duty free shopping we couldn't pass this up.

Ride a horse on the beach, explore a plantation, or meander around the shops and enjoy.

Whether you start your cruise here or spend the day Montego Bay is extraordinary.

Itinerary may be subject to change.

Enjoy...

With genuine Canadian beef, selected produce and Canadian beer onboard, you get the best of both worlds. Experience exciting Cuban flavours and beverages while enjoying world-class beef and your favourite beer!

It really doesn't get any better than this.
